

Certificate of BERTL Rating

Muratec MFX-2830 **— THREE STAR —** **Recommended**

BERTL publishes product evaluation reviews on several hundred copiers, printers, fax, multifunctional, color and production devices every year. Out of these hundreds of devices, only those products that are considered to meet most buyers' expectations with a set of features and functions that can stand up well in a specification-to-specification comparison with competing devices (of a similar type) are recognized with the prestigious BERTL 3-Star, Recommended rating.
