Eileen Morales, Vice Principal

I'm happy to inform you that the **ACP brand** has lived up to your presentation of quality and value. In fact, the only noticeable difference has been the price. Our affiliation with CAM Office Services has been both pleasant and advantageous and your attention to our needs has been admirable. I look forward to a long and mutually beneficial relationship with your company.

College Supply

I would like to express my appreciation for the prompt and courteous service that is always provided by CAM. The use of your **ACP and KATUN alternate brand products** has allowed me to increase my buying power in other areas. Use of these supplies has not compromised quality of performance. I recommend these products to prospective customers. . . .

City of Cambridge  
Marie E. Killackey  
Asst. Purchasing Agent

The City of Cambridge has been doing business with CAM Office for as long as CAM has held contracts with the Commonwealth. I have found CAM to be very helpful and responsive to any of the concerns/problems raised by the City. Their staff is very knowledgeable, the price structure is fair and reasonable and the customer service is superb. I have recommended CAM to City of Cambridge departments. . . .

Facilities & Operations

At this time I would like to express my thanks and complete satisfaction to CAM Office Services. With over 200 machines in the agency, prompt and reliable delivery is very important to us and you have always come through for us. The quality of the Canon, Xerox and OCE products have been excellent as well as your **KATUN brand** which we use in our Canon IR series for our copier and fax machines. We have had no problem with **Katun products** and will continue their use. . . .

I want to take this opportunity to thank you and the staff of CAM Office Services for your dedication and commitment to providing only the highest quality products and services. Over the years the MWRA and your organization have developed a wonderful working relationship which I hope continues for many more years. In addition to supplying all of our copier and facsimile supplies, we have installed twenty Muratec facsimile machines. As in the past, your staff provided the uppermost quality customer service. . . .
